

## **Our Commitment to Safety**

Smart Mom, LLC recently conducted independent lead testing on all of our *Teething Bling* products. Although they are manufactured in a lead-free factory, we felt it was important to offer this additional reassurance to our customers.

We are pleased to report that our products passed with flying colors. The testing was conducted by IMR Test Labs in New Jersey (<http://www.imrtest.com>). A copy of their report is available upon request.

If you have any questions or concerns, please let us know. Thank you for your interest in our products, and your trust in our company.
